

Class National Association

J35 Owners and sailors please help the J35 Class National Association keep our roster & database as accurate as possible; it is essential that we keep track of boats and owners & members. We will not share this information with any other organizations. If you are no longer the owner please pass that information along so I may remove you from the database, if possible include the current owners contact information along so the class may maintain contact. Please reply even if you choose not to join.

Thank You, Bill Wildner, J35 National Class Treasurer
